Chapter 174.500 Article V

Amending Title 9 Chapter 174
Commercial Hood and Exhaust
Cleaning

Fire Inspection Services

- Minimize financial impact on commercial food service establishments.
- Requires two annual cleanings and permits.

Fire Inspection Services

- Example: permit fee @ 133.00 X 2 = 266.00 annually
- VS 133.00 X 4 = 532.00 annually, thus reducing financial impact by 266.00
- Zero reduction in revenues by obtaining greater > compliance based on the above-mentioned.

Fire Inspection Services

- Sports Venues / Large Assembly Occupancies 133.00 per hood X 2 annually.
- Minor changes with higher standards/frequent inspections for high occupancy venues

Fire Inspection Services

- Changes maintain alignment with MSFC requirements.
- Reduces financial impact while maintaining greater fire and life safety standards.

Fire Inspection Services

- Increases fire and life safety awareness
- Increases community relations between FIS and business owners / citizens.
- Increased compliance
